

The Spa Marvel Company Presents

# The Complimentary Lifetime Jet Warranty

Since 1994, tens of thousands of spa owners have made Spa Marvel® Water Treatment (Spa Marvel®) an integral part of their spa-water treatment program because it:

- Helps to prevent foaming and scum lines.
- Minimizes scale build up from occurring within the spa's plumbing.
- Improves filter efficiency.
- Enhances chemical treatment.
- Supports optimal water balance. The ongoing need to adjust pH and alkalinity is greatly decreased.
- Conditions spa water for sensitive skin. People with eczema and psoriasis love using Spa Marvel® as it often improves their condition.
- Softens and moisturizes skin.
- Is gentle to skin, hair and bathing suits.
- Is easy to use. One bottle of Spa Marvel® treats your spa water for 3 months with regular use, and 1 month in a swim spa.
- Gives you water so soft and clean that you won't feel the need to shower after using your spa!

Additionally, Spa Marvel®'s enzymes clear the path for sanitizers, which simply means that it will take less sanitizer to maintain desired levels when using Spa Marvel® than when you are not. Less sanitizer means less wear on the water, bathers, lid, tub and equipment. The Spa Marvel Company Inc. is so confident in Spa Marvel®'s ability to reduce wear and tear caused by chemicals that we provide a Complimentary Lifetime Jet Warranty with your customer's new spa when they make Spa Marvel® an ongoing part of their water care regimen.

## Keep **YOUR** customers coming back to **YOUR** store!

Spa customers typically stay with what they start with, and since neither Spa Marvel® nor anything like it is available at big box stores, customers have to return to an authorized Spa Marvel® retailer for future and ongoing purchases. Additionally, Spa Marvel® brand products are governed by a Minimum Advertised Price Policy, which ensures that you are not competing on price with other retailers, whether they are local or online.

Offering your customers the extra value and benefit of the Complimentary Lifetime Jet Warranty ensures that they return to your store and that you reap the benefit of the repeat business. The Spa Marvel Company can even help you to implement an auto-delivery program for your customers.

Doesn't it make sense to have your customers using a product that they have to come back to your store for? Stop making money for the big box stores, and ask your account representative about becoming an authorized Spa Marvel® retailer.
